Dotted lines are not intended to indicate boundaries of legally subdivided lots, they ar intended to indicate the boundaries of limited common elements in the community property regime. Because we are continually improving our homes, we reserve the right to make changes and modifications to methods and materials of construction and to the features included in our homes without notice. Square footage and dimensions are intended to be as accurate as possible, however, due to actual construction, square footage and dimensions may differ. These floorplans and renderings are a fair representation of the models to assist the customer in visualizing the homes and may not be accurately depicted.
